

**Thank you for inquiring about Private and/or Semi-Private swim lessons offered through our Learn to Swim Program at the YMCA of Martha's Vineyard.**

**Scheduling of lessons:**

All scheduling for private and semi-private lessons is done directly between instructors and swim clients. The YMCA of Martha's Vineyard will provide the contact information for our instructors that we think will be the best fit for you or the swimmer you are scheduling lessons for. We then ask that you contact the instructor directly to schedule the lessons. Please allow up to five days for the instructors to return lesson requests. If you find that you do not have success with the suggested instructors or have additional questions please get back in touch with our Aquatics Coordinator Elizabeth Lytle at [elytle@ymcamv.org](mailto:elytle@ymcamv.org) or 508-696-7171 ext. 129 for additional assistance.
