

2023-2024 ARENA SIGNAGE PROGRAM

111R Edgartown Vineyard Haven Road | Vineyard Haven MA 02568
(508) 696-7171 | etilton@ymcamv.org | EIN 04-3293959

Whether through hockey programs, figure skating clubs, skill development camps or open skate sessions, almost every Islander has a special connection to the Martha’s Vineyard Ice Arena. Annually, our local rink serves over 1,200 hockey players and figure skaters and offers over 180 hours of public ice to the general community.

The Martha’s Vineyard Ice Arena is a cherished Island resource, but it requires significant funding to support community programming and essential facility maintenance. To help offset expenses, the Arena Signage Program offers a unique opportunity to show pride of place and deliver company visibility to thousands of users and spectators each year.

Please consider one of the following sponsorships for the 2023-2024 season. Your tax-deductible donation will help individuals grow healthy and strong, promote social-emotional wellness, and foster transferable life skills in leadership, teamwork, and sportsmanship.
