Membership Termination Policy

Members with a monthly draft membership can cancel their membership by submitting written notice 30 days prior to the next draft date (first of the month). The membership will be terminated 30 days from the first of the month. For example, if a membership is canceled on October 15th, payment is processed November 1st, and the membership terminates on November 30th. All memberships are non-transferable and non-refundable. Memberships that have been on hold can cancel 30 days after membership reactivates from hold. I understand that by canceling my membership I will be subject to the \$75 join fee again if I do not rejoin within 3 months of my membership terminating.
