## Tips to Help You Get Started!

### Coming to your first class:

Please make sure you and your family are wearing a mask at all times in the facility. Please make every effort to arrive to class 5 minutes early on your first day. This will help us get to know the swimmer and make sure you feel confident and prepared to begin the first class! It is best to have the swimmer arrive in their swim suit if possi-

## For Young Swimmers and Their Families!

### Help us stay clean!

- Everyone must wear a swim cap in the pool.
- All swimmers must take a shower before entering the pool.
- Please leave your shoes in the locker room. Only bare feet/shower shoes are permitted on deck.
- No strollers in the pool area please!
- **Parents of children 11 and under:** We require that you remain in the facility for the duration of your child's class. Please sit in designated chairs on deck for swim lesson parents and keep 6ft distance

## Important Learn to Swim Policies!

### Covid Policy

If you or your child are experiencing symptoms or if they did not attend school that day they should not come to swim lessons. .

Swimmers and parents are ask to wear their mask when they are on the pool deck. The CDC does not recommend wearing a mask in the water. However if you are in a parent & child lesson and you are not going to submerge you can wear a mask if you wish.

### Inclement Weather Safety

Swim lessons will be canceled if the school system cancels school or calls for early dismissal.

### Make-up Classes

We do not have the ability to offer make up classes for acts of nature, such as blizzards, hurricanes, and/or illness etc. Additionally, we do not allow make-up classes for participant absences.

### Refund Policy

A cancellation notice received prior to the first class date will receive a full refund. After the first class, all system credits and refunds will be reviewed on a case by case basis.
