

Kindness Academy 2020

Hello Families!

We are so excited to invite you to enroll in the upcoming session of Kindness Academy!

Below are the registration instructions for contactless online enrollment. If your child attended Camp Kindness this summer, you'll find these instructions familiar.

IMPORTANT PROGRAM NOTES:

- There is limited availability for this program – you are among the first being invited to register, so please prioritize this process to ensure that we are able to serve those families most at need.
- There is no guarantee of transportation from school to the Y – if you have questions concerning transportation, please contact your school's front office to inquire about the bus route.
- **PLEASE NOTE:** Middle-School Kindness Academy only operates Monday-Thursday (there is no Friday option for this age group).

IMPORTANT REGISTRATION INFO:

- If your child **has ever attended** a YMCA of Martha's Vineyard Youth Program (ASP, Summer Camp etc.) **or if you've ever been a member of our Y** you have access to this online portal. If you do not find your account by entering your email or phone number, contact me. Do not create a new account.
- If you are new to our Y – select the "sign up" option, and then your intended membership type. If you are not interested in membership, there is a non-member/program participant option at the bottom of the list.
- Unless you've logged into the account prior, **you do not have a password**. To access the account, you'll need to select "forgot password" and follow the prompts to have a password reset link sent to your email – this will likely go to spam or clutter.
- You'll know the registration has been successful when you see a big green check mark.
