

Camp Kindness 2022

Hello Families!

We are so excited to invite you to enroll in the upcoming summer of adventures with Camp Kindness 2022!

IMPORTANT REGISTRATION INFO

- **If your family has ever had a membership at our Y or enrolled in one of our Youth Programs** (Summer Camp, ASP, Group Swimming Lessons etc.) we already have you in our system. To avoid duplicates, please attempt to log in to your account with an existing email or phone number. If you are unable to find your account, reach out to the Front Desk during our business hours to ensure the information we have on file for you is up to date.
- If you feel confident that we have you in our system but aren't able to find a matching account, simply select "forgot password" when attempting to log in. This reset link will go to the spam or clutter folder of the email address you entered, if we do in fact have it on file.
- **If you are new to our Y** select the "sign up" option and then your intended membership type. If you are not interested in membership, there is a "Non-Member/Program Participant" option at the bottom of the list. If you have any questions about Membership, please email contact the Membership desk prior to your online registration.
- If you are enrolling multiple campers, the registration process will have to be repeated for each one.
- Upon enrolling, the system will require a \$25 deposit per session week. If you are a recipient of Financial Assistance, we ask that you complete the deposit to finalize registration. Your assistance will then be applied manually.
- Registering for a session commits your camper to **one week**. You are able to register for non-consecutive session weeks. We do not prorate weeks for attendance. **See Camp flier or website for session dates.**
