

# Camp Terra Mar 2026 Registration

## IMPORTANT ONLINE REGISTRATION INFO

- **\*To receive member priority registration for your camper,** the parent/guardian/grandparent and child camper **must** be on **an active family monthly membership** (not an individual or short-term/seasonal membership) at the time of registration AND the membership must remain active and in good standing throughout the camp week(s) the child is attending. The best membership option is a one-adult or two-adult family monthly draft. Please email Haley Hines at [hhines@ymcamv.org](mailto:hhines@ymcamv.org) for additional membership information.
- If your family has a current or past membership at our Y or enrolled in any of our Y programs in the past, we already have you in our system. To avoid duplicate issues, please attempt to log in to your account with an existing email or phone number. If you are unable to find your account, please reach out to the Front Desk (ext. 0) during our business hours to ensure the email and phone number we have on file for you is up to date.
- If you feel confident that we have you in our system but can't find a matching account, simply select "forgot password" when attempting to log in. Check for the password reset link in the spam folder of the email address you entered.
- **Use this link to access an existing account**

select the "sign up" option and then your intended membership type. If you are not interested in a membership, there is a "Non-Member/Program Participant" option at the bottom of the list. If you have any questions about Membership, please contact the Membership desk prior to your online registration.
- If you enroll multiple campers, the registration process will have to be repeated for each child on your account profile.
- Upon enrolling, the system will require a \$130 deposit per week. If you are a recipient of Financial Assistance, you will need to pay the deposit to finalize registration. Your financial assistance will be automatically applied if it is up to date in our system. If it is not, it can be applied after registration by the Camp Registrar. For financial assistance questions, please contact Membership Coordinator Julia Gustke at [jgustke@ymcamv.org](mailto:jgustke@ymcamv.org)
- We do not prorate weeks for days not attended.
- Please remember your deposits go towards your total camp payment. Deposits and payments are non-refundable & non-transferable. Final camp payment is due in full by May 4<sup>th</sup>. You are welcome to make payments at any time between registration and May 4<sup>th</sup> via the member portal with the same log in information you used to register.
